

*1993, Germany.

Nationality: German, Brazilian, Bolivian

Pronouns: She/ Her, They/Them

I believe the stories we tell matter, influencing how we perceive and interact with the world. As an interdisciplinary artist, my practice revolves around storytelling and crafting experiences that foster meaningful encounters, employing various media such as role-play-games, audio/visuals and radio to unravel the multifaceted nature of our shared reality.

Education

2022-2023	Artist as Teacher - further education, <i>Royal Academy of Arts, The Hague</i>
